#### FORESTRY, FIRE AND STATE LANDS CITIZEN ADVISORY COUNCIL SCHEDULES FIELD TRIP AND MEETING

A citizen advisory council to the Utah Division of Forestry, Fire and State Lands will meet on Tuesday, March 28, 2006. The meeting will begin at 9:00 a.m. with a field trip to Farmington Bay Bird Refuge to view recent project work to control phragmites, an invasive vegetation species, within the refuge boundaries. The projects were conducted in conjunction with the Division of Wildlife Resources.

Following the field trip the group will reassemble at approximately 1:00 p.m. at the Department of Natural Resources, 1594 West North Temple in Salt Lake City. The Advisory Council will be briefed on a number of topics to include recent efforts to settle the boundary of Utah Lake, oil and gas leasing on Great Salt Lake, and the recently concluded legislative session.

The public is invited to attend both the field trip and meeting, however citizens wishing to attend the field trip must provide their own transportation. For additional information contact the Division of Forestry, Fire and State Lands at (801) 538-5555.
